RESCHEDULING OF COORDINATION MEETING AT HESL, ROHTAK

Dear Members,

1. This has the reference to the Administrator, HESL letter Adm/HESL/003 dated 04 Dec 2025 regarding conduct of coordination meeting on 10 Dec 25.
2. Members are hereby informed that the meeting scheduled for 10 Dec 25 is called off due to reasons of floating of misleading messages in WhatsApp groups of ex-servicemen to reach HESL Office at Rohtak in large numbers for uprooting unnamed ex governing body members. Also, a representation/complaint has been received from few members stating that there's a possibility of "Bull Fighting due to "Hyper stage & untoward forewarned anticipated incidents" and viewed seriously. Members are further informed that similar situation was created in the HESL Office in recent past and viewed as an attempt to defame the organization for malafide intentions and gaining cheap popularity/political mileage by a select group of members.
3. Though, the concerned members are being served with Show Cause Notices, however, it is realized to plan meetings with various DESLs in more dignified atmosphere at appropriate time/place as decided by the Administrator to avoid such situations and; therefore, decided to schedule future meetings with respected DESLs by informing all stakeholders individually in overall interest of the organization.
4. Respected members are also cautioned against spreading rumors, adopting corrupt practices, unruly behavior, disrespect to others and interfering in smooth functioning of affairs of HESL and; a sincere cooperation/wholehearted support is expected from each and every member of the Haryana Ex Servicemen League.

With warm regards & best wishes,

11/12/25 08/12/25
